(Cell 187, 2336–2341.e1–e5; April 25, 2024)

In the originally published version of this article, the tandem repeat reference resource was called TR-gnomAD. In order to avoid any confusion with the affiliation of the resource or where it was developed, we have changed the name to the Tandem Repeat Aggregation Atlas, or TR-Atlas, throughout the article and the supplemental files. We have also updated the link to this resource to <https://wlcboit.uci.edu/TRAtlas/>. This change does not affect the contents or use of the resource in any way, nor does this affect any conclusions of the manuscript. The original article has now been corrected online to reflect this change.
